SAMPLE

**On August 19, 2020, the City agreed to issue $48,455,000 of the bonds authorized by Council Order 19-364 to refinance $44,860,000 of bonds outstanding. This refinance transaction resulted in savings of $4,786,935 over the life of the Bonds.

The validity of the bonds and of the voters' ratification of the bonds may not be affected by any errors in the estimate made above. If the actual amount of the total debt service of the bond issue varies from the estimate, the ratification by the electors is nevertheless conclusive and the validity of the bond issue is not affected by reason of the variance.
