Donation to ARTober from Beal College

The City of Bangor's Commission on Cultural Development (CCD) has received a donation in the amount of \$3,000 from Beal College to support ARTober. The Commission is grateful to Beal College not only for its financial support of ARTober but also the invaluable resource support they have contributed to make this month long celebration of the arts a success.

City staff recommends acceptance of the donation and if approved by the Committee, will place it on the October 12, 2016 City Council agenda.
