PUBLIC SERVICES DEPARTMENT – OPERATION and MAINTENANCE

Dana R. Wardwell, Director

To: Government Operations Committee
From: Dana Wardwell
Subject: Proposed change in Parking State Street
Date: October 20, 2014

BACKGROUND

Terry Martini who owns a business at 229 State Street, contacted me to request that the area between Newbury Street and State Street Avenue on the south side of State Street be designated as 2 hour parking. She states that many of her clients have some difficulty walking and the current spaces are frequently occupied, making it more difficult for her clients to have to park away from her business. Letters notifying adjacent property owners of this public meeting have been mailed.

RECOMMENDATION

Staff recommends creating 3 2 hour parking spaces on the south side of State Street in the area 30 feet east of State Street Court and 50 feet west of Newbury Street.
