Addendum No. 1

The following questions were submitted. The City's responses to the questions follow in *Italics*.

- 1. Q: Will a ruggedized handheld controller w/ tactile controls and backlit LCD screen be acceptable?

A: Yes.

- 2. Q: Will a 24x48 pixel layout be acceptable if the sign display meets/exceeds all other display requirements?

A: The City will review all RFB's according to our selection criteria and select the best unit for our needs. A 24 x 48 pixel layout will not in itself disqualify you from consideration.

All other terms, conditions, and specifications remain the same.
