

Council Workshop – ARPA

Wednesday, March 29, 2023 @ 5:15 pm

- 1. Presentation of Additional Information on Y Project (Partnership with Penobscot County)**
- 2. Discussion with United Way of Eastern Maine Regarding Application Acceptance, Timeline and Review Process**
- 3. Discussion on Municipal and School Projects**

The opportunity to invest in municipal and/or school projects has always been identified as an eligible use of the funding. All of the projects within this category would benefit residents and/or visitors of our city. Below is a non-exhaustive listing of projects (in no particular order) that have been identified in a variety of settings (i.e. public survey, public sentiment, workshops or committees, staff etc.):

- Valley Avenue improvements
- Grant writer/manager
- Cameras – downtown/waterfront
- Public Safety building improvements
- Public Health facility
- City Hall improvements
- Syringe clean ups
- Public art
- Debris removal
- Transit
- Public restrooms
- Portable stage replacement
- EV chargers
- Middle school health clinic
- Sidewalk/pedestrian improvements
- Bike lanes/paths
- Streets
- Recreational trails

Upcoming Agenda Items or Outstanding Items

- Broadband
- Efficiency Maine Partnership Program
- Review of Draft ARPA Sprinkler Grant Application
