

# GAGA BALL RULES!

## THE OBJECTIVE:

BE THE LAST PLAYER REMAINING IN THE PIT BY ELIMINATING OTHERS THROUGH HITTING THEM BELOW THE KNEE WITH THE BALL.

## THE RULES:

- All players must start with one hand touching the pit wall.
- The game begins when a player throws the ball approximately into the center, allowing it to bounce three times.
- On the first and second bounces, players shout "Ga!" and on the third bounce, players shout "Go!" and the round begins.
- Each round ends when one player is eliminated.
- At the end of each round (elimination), a player tosses the ball back into the center to allow it to bounce three times.
- Rounds continue until one player is left, who is the winner.
- Players can hit the ball with an open hand or fist but cannot hold, catch, or throw the ball.
- A player is eliminated if the ball hits them on or below the knee.
- Players must not kick the ball—as contact with foot counts as being out.
- If the ball flies out of the pit, the last player to touch it is eliminated.
- Players cannot hit the ball twice in a row unless it rebounds off the pit wall or another player.
