INTEREST ON UNPAID AMOUNTS WILL BE CHARGED AT A RATE OF 7.50% PER ANNUM BEGINNING ON SEPTEMBER 16, 2025 AND MARCH 17, 2026

Payments WILL BE applied to any past due amounts first unless prior arrangements have been made with the City or deemed in the best interest of the City to do otherwise. Unless otherwise specified any overpayments will be applied to other outstanding accounts assessed to the taxpayer first and then applied as prepayments toward future taxes.

Under State Law, the ownership and valuation of all real estate and personal property subject to taxation shall be fixed as of April 1st. For this tax bill, that date is April 1, 2025. Any valuation abatement requests must be made within 185 calendar days from the date of commitment, for this tax bill that date is January 11, 2026. Please direct any abatement questions to the Assessor's Office at (207) 992-4209.

Without funding from the State, for aid to education, revenue sharing and the homestead exemption, your tax bill would have been 42.8%, 18.4% and 2.6% higher, respectively.

As of June 30, 2025 the City has collected approximately 95.0% of the prior year tax commitment.

Payments WILL BE applied to any past due amounts first unless prior arrangements have been made with the City or deemed in the best interest of the City to do otherwise. Unless otherwise specified any overpayments will be applied to other outstanding accounts assessed to the taxpayer first and then applied as prepayments toward future taxes.

Under State Law, the ownership and valuation of all real estate and personal property subject to taxation shall be fixed as of April 1st. For this tax bill, that date is April 1, 2025. Any valuation abatement requests must be made within 185 calendar days from the date of commitment, for this tax bill that date is January 11, 2026. Please direct any abatement questions to the Assessor's Office at (207) 992-4209.

Without funding from the State, for aid to education, revenue sharing and the homestead exemption, your tax bill would have been 42.8%, 18.4% and 2.6% higher, respectively.

As of June 30, 2025 the City has collected approximately 95.0% of the prior year tax commitment.

Payments WILL BE applied to any past due amounts first unless prior arrangements have been made with the City or deemed

outstanding accounts assessed to the taxpayer first and then applied as prepayments toward future taxes.

Under State Law, the ownership and valuation of all real estate and personal property subject to taxation shall be fixed as of
April 1st. For this tax bill, that date is April 1, 2025. Any valuation abatement requests must be made within 185 calendar days

INTEREST ON UNPAID AMOUNTS WILL BE CHARGED AT A RATE OF 7.50% PER ANNUM BEGINNING ON SEPTEMBER 16, 2025 AND MARCH 17, 2026

Payments WILL BE applied to any past due amounts first unless prior arrangements have been made with the City or deemed in the best interest of the City to do otherwise. Unless otherwise specified any overpayments will be applied to other outstanding accounts assessed to the taxpayer first and then applied as prepayments toward future taxes.

Under State Law, the ownership and valuation of all real estate and personal property subject to taxation shall be fixed as of April 1st. For this tax bill, that date is April 1, 2025. Any valuation abatement requests must be made within 185 calendar days from the date of commitment, for this tax bill that date is January 11, 2026. Please direct any abatement questions to the Assessor's Office at (207) 992-4209.

Without funding from the State, for aid to education, revenue sharing and the homestead exemption, your tax bill would have been 42.8%, 18.4% and 2.6% higher, respectively.

As of June 30, 2025 the City has collected approximately 95.0% of the prior year tax commitment.

INTEREST ON UNPAID AMOUNTS WILL BE CHARGED AT A RATE OF 7.50% PER ANNUM BEGINNING ON SEPTEMBER 16, 2025 AND MARCH 17, 2026

Payments WILL BE applied to any past due amounts first unless prior arrangements have been made with the City or deemed in the best interest of the City to do otherwise. Unless otherwise specified any overpayments will be applied to other outstanding accounts assessed to the taxpayer first and then applied as prepayments toward future taxes.

Under State Law, the ownership and valuation of all real estate and personal property subject to taxation shall be fixed as of April 1st. For this tax bill, that date is April 1, 2025. Any valuation abatement requests must be made within 185 calendar days from the date of commitment, for this tax bill that date is January 11, 2026. Please direct any abatement questions to the Assessor's Office at (207) 992-4209.

Without funding from the State, for aid to education, revenue sharing and the homestead exemption, your tax bill would have been 42.8%, 18.4% and 2.6% higher, respectively.

As of June 30, 2025 the City has collected approximately 95.0% of the prior year tax commitment.

INTEREST ON UNPAID AMOUNTS WILL BE CHARGED AT A RATE OF 7.50% PER ANNUM BEGINNING ON SEPTEMBER 16, 2025 AND MARCH 17, 2026

Payments WILL BE applied to any past due amounts first unless prior arrangements have been made with the City or deemed in the best interest of the City to do otherwise. Unless otherwise specified any overpayments will be applied to other outstanding accounts assessed to the taxpayer first and then applied as prepayments toward future taxes.

Under State Law, the ownership and valuation of all real estate and personal property subject to taxation shall be fixed as of April 1st. For this tax bill, that date is April 1, 2025. Any valuation abatement requests must be made within 185 calendar days from the date of commitment, for this tax bill that date is January 11, 2026. Please direct any abatement questions to the Assessor's Office at (207) 992-4209.

Without funding from the State, for aid to education, revenue sharing and the homestead exemption, your tax bill would have been 42.8%, 18.4% and 2.6% higher, respectively.

As of June 30, 2025 the City has collected approximately 95.0% of the prior year tax commitment.

Payments WILL BE applied to any past due amounts first unless prior arrangements have been made with the City or deemed in the best interest of the City to do otherwise. Unless otherwise specified any overpayments will be applied to other outstanding accounts assessed to the taxpayer first and then applied as prepayments toward future taxes.

Under State Law, the ownership and valuation of all real estate and personal property subject to taxation shall be fixed as of April 1st. For this tax bill, that date is April 1, 2025. Any valuation abatement requests must be made within 185 calendar days from the date of commitment, for this tax bill that date is January 11, 2026. Please direct any abatement questions to the Assessor's Office at (207) 992-4209.

Without funding from the State, for aid to education, revenue sharing and the homestead exemption, your tax bill would have been 42.8%, 18.4% and 2.6% higher, respectively.

INTEREST ON UNPAID AMOUNTS WILL BE CHARGED AT A RATE OF 7.50% PER ANNUM BEGINNING ON SEPTEMBER 16, 2025 AND MARCH 17, 2026

Payments WILL BE applied to any past due amounts first unless prior arrangements have been made with the City or deemed in the best interest of the City to do otherwise. Unless otherwise specified any overpayments will be applied to other outstanding accounts assessed to the taxpayer first and then applied as prepayments toward future taxes.

Under State Law, the ownership and valuation of all real estate and personal property subject to taxation shall be fixed as of April 1st. For this tax bill, that date is April 1, 2025. Any valuation abatement requests must be made within 185 calendar days from the date of commitment, for this tax bill that date is January 11, 2026. Please direct any abatement questions to the Assessor's Office at (207) 992-4209.

Without funding from the State, for aid to education, revenue sharing and the homestead exemption, your tax bill would have been 42.8%, 18.4% and 2.6% higher, respectively.

As of June 30, 2025 the City has collected approximately 95.0% of the prior year tax commitment.

SEPTEMBER 16, 2025 AND MARCH 17, 2026**

Payments WILL BE applied to any past due amounts first unless prior arrangements have been made with the City or deemed in the best interest of the City to do otherwise. Unless otherwise specified any overpayments will be applied to other outstanding accounts assessed to the taxpayer first and then applied as prepayments toward future taxes.

Under State Law, the ownership and valuation of all real estate and personal property subject to taxation shall be fixed as of April 1st. For this tax bill, that date is April 1, 2025. Any valuation abatement requests must be made within 185 calendar days from the date of commitment, for this tax bill that date is January 11, 2026. Please direct any abatement questions to the Assessor's Office at (207) 992-4209.

Without funding from the State, for aid to education, revenue sharing and the homestead exemption, your tax bill would have been 42.8%, 18.4% and 2.6% higher, respectively.

**As of June 30, 2025 the City has collected approximately
95.0% of the prior year tax commitment.**
