RE: Multifamily Housing Inspection Program

Representatives of the Fire Department and Code Enforcement last met with the Government Operations Committee on March 16, 2015 to discuss a multifamily housing inspection program. Staff would like to provide an update on the program from the last few months. Attached are some charts showing common inspection items found during 149 Fire Department Engine Company inspections conducted from July through November.

Staff from both departments will be in attendance prepared to discuss the program.

Inspections

149 inspections = 536 individual units inspected
