Calls for Service reflect when an officer is assigned to an incident or when a caller reports activity requiring the involvement of a police officer. These are calls for service and do not represent lists of crimes or crime reports. Calls are titled as they are received and assigned to an officer for investigation. For example, a call may be assigned as a "burglary" as called in by a citizen, but later the officer finds it is actually a "theft" - the call statistic remains as a burglary for the purposes of this list.

The Bangor Police Department makes every effort to produce and publish current and accurate information. The services provided are for comparison and informational purposes only and should not be relied on for any type of legal action.
