

This form is to be used by City Departments that maintain a Universal Waste Central Accumulation Storage Facility accepting small amounts of Universal Waste from other locations within their department (i.e. Bangor High School accepting Universal Waste from the other Bangor Schools). All Universal Waste that is transferred from another facility, must be recorded on the log below. A copy of this form will be attached to the Manifest during shipment to the recycler.

Universal Waste Location (accepting the waste):_____

Name of Location (where the waste was generated)	Address	Date Recieved	Type of Universal Waste (Refer to U-Waste Inventory Form)	Number of Items

Department of Safety and Environmental Management Created: 9/14/20 Revision: New
