Questions:

The following questions were submitted. The City's responses to the questions follow in *Italics*.

1. Q: Could you please provide the plan holders list for this bid?
A: A plan holder list will be released to the public after the bid opening.
2. Q: Can the pay item for the stop bars be payed per linear foot instead of each cause the various sizes of each stop bar isn't a very accurate item to bid on?
A: Stop bars are paid based on a standard 11' length, or less. If an intersection requires greater length, it will be paid in increments of 11'. A conversion to linear feet payment will be considered for future bids

All other terms, conditions, and specifications remain the same. Please acknowledge this addendum by signing the acknowledgement below and returning this page with your bid.
