PROHIBITIONS ON BUSINESSES**

WHEREAS, the City issued a Proclamation Declaring State of Emergency on March 16, 2020, in response to the COVID-19 outbreak;

WHEREAS, at that time, in accordance with guidance from the President of the United States and the Center for Disease Control, the City urged the public to practice social distancing and not attend events where ten or more people will be gathered;

WHEREAS, health officials have now confirmed the two cases of COVID-19 in Penobscot County; and

WHEREAS, the risk of community spread throughout Bangor impacts the life, health and safety of the public and public health is imperiled by the person-to-person spread of COVID-19;

I, Richard Cromwell, Assistant City Manager of the City of Bangor, pursuant to the City's Proclamation Declaring State of Emergency of March 16, 2020 and Section 28-79 of the Bangor City Code, and the emergency regulation titled "Emergency Regulation: Powers and Authorities in my Absence or Incapacitation," dated on or about March 18, 2020 and issued by City Manager Catherine Conlow hereby regulate as follows, effective as of March 23, 2020 at 6:00 p.m.:

1. This Emergency Regulation supersedes the emergency regulation titled "Emergency Regulation: Public Facing Businesses." All other prior emergency regulations remain in full force and effect. 3. No bar, restaurant, or dine-in facility of any kind or nature shall be open, except as allowed under subsections A and B below, while said Proclamation Declaring State of Emergency, and the renewal thereof, remains in effect.
  - A. Notwithstanding the above, said bars, restaurants, and facilities may operate in a delivery or "take-out" fashion provided that (1) no customer enters any such restaurant, (2) all transfers of food or other product shall occur either (a) outside of said restaurant or (b) through or at an open window or doorway, and (3) the restaurant takes steps to ensure that no groups of individuals, other than those remaining in motor vehicles, congregate on its

premises. Under no condition shall restaurants permit the food provided to be eaten at the site where it is provided, or at any other gathering site on that restaurant's premises.

B. Schools and other entities that typically provide free food services to students or members of the public may continue to do so under this Regulation on the condition that the food is provided to students or members of the public on a pick-up and takeaway basis only. Schools and other entities that provide food services under this exemption shall not permit the food to be eaten at the site where it is provided, or at any other gathering site on the premises.

4. B. Notwithstanding the above, establishments other than those included in subsection A may continue operations consisting exclusively of employees, contractors, or other agents performing activities at their own residences or places of rest.

C. A single employee or agent may be in an establishment closed under this Proclamation in order to perform necessary business functions that do not involve in-person contact with others. No customers or clients may enter the establishment, and no more than one employee or agent may be in the establishment at once.

It is hereby encouraged, but not specifically regulated, that all citizens or visitors of the City of Bangor take all necessary steps to care for themselves and prevent the spread of COVID-19. Such steps include eliminating all unnecessary gatherings, travel, and social events.
